

## CURRICULUM VITAE

NAME: Gábor JANCSÓ  
BIRTHDATE: August 8, 1948  
BIRTHPLACE: Szeged, Hungary  
MARITAL STATUS: married  
EDUCATION:

University Medical School, Szeged, Hungary; M.D.; 1972  
Neurobiology; 1980;  
Hungarian Academy of Sciences; Budapest; Hungary; Ph.D.; 1983.  
Hungarian Academy of Sciences; Budapest; Hungary; D. Sci.; 1994.

### ACADEMIC APPOINTMENTS:

Teaching Assistant; Department of Anatomy, University Medical School,  
Szeged, Hungary; 1972-1976  
Instructor in Anatomy; Department of Anatomy, University Medical School,  
Szeged, Hungary; 1976-1981  
Assistant Professor; Department of Physiology, University Medical School,  
Szeged, Hungary; 1981-1988  
Associate Professor; Department of Physiology, University Medical School,  
Szeged, Hungary; 1988-1995  
Professor; Department of Physiology, University Medical School,  
Szeged, Hungary; 1995-  
Head of Department of Physiology, University of Szeged, 2009-2013

### MEMBERSHIP - SCIENTIFIC and PROFESSIONAL SOCIETIES:

Hungarian Physiological Society, Hungarian Society of Anatomists, Histologists and  
Embryologists, IBRO, ENA, European Neuropeptide Club

### SPECIAL AWARDS, FELLOWSHIPS and other HONORS:

Apáthy István Award (1972)  
Jubilee Prize of the Hungarian Physiological Society (1980)  
Wellcome Fellowships (1981, 1986/87)  
Jancsó Miklós Award, 1997  
Ábrahám Ambrus Award, 1999  
Szentágothai János Award, 2000  
Klebsberg Kunó Award, 2011  
Szeged Foundation Scientific Award Béla Szőkefalvi-Nagy, 2014  
Knight Cross of the Order of Merit of Hungary, 2014

### RESEARCH INTEREST:

Anatomy of the somatosensory system  
Sensory physiology, pain  
Neuronal injury, degeneration and regeneration  
Neuronal plasticity

### UNIVERSITY AND COMMUNITY SERVICE:

Vice-Dean of the Medical Faculty (2000-2010)  
Member of the Medical Faculty Council (2000-2014)  
President of the Medical Faculty Scientific Committee (2000-2010)  
Member of OTKA (Hungarian Scientific Research Fund), Neuroscience Committee (2010-2013)

### PROFESSIONAL EXPERIENCE ABROAD:

Department of Anatomy, University of Würzburg, Germany; 1977-1978; 10 months, Department of Pharmacology,  
University of Graz, Austria; 1979; 3 months, Department of Anatomy, University College London, England; 1981; 3 months,  
Department of Pharmacology, University of Graz, Austria; 1983; 2 months, Department of Physiology, The Medical School,  
Bristol, England; 1986-1988; 18 months, Max-Planck-Institut f. phys. u. klin. Forschung, Bad Nauheim, Germany; 1990-2000; 14  
months

### SERVICE TO PUBLICATIONS:

Editorial board membership:  
International Journal of Tissue Reactions (1981-)  
Acta Physiologica Hungarica (2001-)  
Neurobiology (1992-2000)  
Primary Sensory Neuron (1996-2000)  
Neuroimmune Biology (2008-)

### PUBLICATIONS

114 publications in international scientific journals.  
Citations: 5022
